<p>* Rates denoted with the "*" symbol are discounted local/combined rates or joint rates and therefore separate ceiling levels do not apply to these rates; rather, the applicable ceiling level for these discounted rates/joint rates will be equal to the ceiling level (or sum of the applicable ceiling levels) that apply to the base transportation rate(s).</p>							
<p>**The rates reflected in F.E.R.C. No. 46.0.0 are rates that Bridger recently adopted from Alexander Connector, LLC. The rates reflected in F.E.R.C. No. 46.0.0 were first established on December 16, 2016 (via NST Exprs, LLC F.E.R.C. No. 2.0.0) and they have never been adjusted since that time. The current ceiling level for these rates reflect application of the FERC index for the period July 2017 to July 2023.</p>
