[N] Notes to Table of General Commodity Rates:

(1) A temporary volume incentive rate of 26.1 cents per barrel shall apply to any shipper that tenders at least 5,000 barrels per day, on average, during a month, to the Alexander Terminal origin from the Caliber Midstream pipeline system, for further delivery to the DAPL/AC Interconnect.

(2) The following volume incentive rates shall apply to any shipper that delivers crude petroleum via trucks at any of the noted origins for delivery to the noted destination: (i) for volumes tendered between 1-2,499 barrels per day, on average, during a month, the rate shall be 30.0 cents per barrel; (ii) for volumes tendered between 2,500 and 4,999 barrels per day, on average, during a month, the rate shall be 25 cents per barrel; and (iii) for volumes tendered at 5,000 barrels per day and greater, on average, during a month, the rate shall be 20 cents per barrel.

(3) An acreage dedication rate of 36.1 cents per barrel instead of the rate noted in the Table of General Commodity Rates shall apply to any shipper that has entered into and has an effective acreage dedication agreement with Carrier, pursuant to which the shipper has dedicated for shipment on Carrier’s system all of the crude petroleum produced from a minimum of 100,000 specified acres.

[N] Pipeline Loss Allowance:

Unless otherwise stated in an executed transportation agreement, each shipper moving under this tariff shall pay a pipeline loss allowance of 0.2% to be deducted from net quantities received.
